To Whom It May Concern:

During the month of November 2006 our church contracted with Stevens Construction Co., Inc. to install a new Handicapped Restroom.

At all times the workers were very considerate of the dust, the dirt and the surroundings of the area they were working in. They were very professional in dealing with our Pastor, Secretary and Chairperson of our Property Committee.

We would like to take this opportunity to recommend Stevens Construction for any work that they might contract in the future. Please feel free to call Peace Community United Church of Christ at 740-726-2808 for a reference.

Sincerely,

Gene Trimble,
Chairperson, Property Committee
