To Whom It May Concern:

I am writing this letter as a reference regarding the Stevens Construction Company. We have had the opportunity to interact with them on several different projects and would not hesitate to utilize them on future projects.

We have found them to be easy to communicate with; upfront in dealing with the issues inherent in a construction or renovation project; and have been satisfied with the finished product. They do a good job of balancing costs and quality, and are not afraid to make suggestions to improve a project.

I would be more than happy to answer any questions you may have regarding them. I can be reached at 740/383-7922.

Sincerely,

David Paul Miller  
Executive Director
